#16-RANKED GRADUATE ENTREPRENEURSHIP PROGRAM

For 2009, **The Princeton Review/Entrepreneur Magazine** ranked our **Entrepreneurship MBA #16 in the nation**, up from #21 one year ago. Our program ranked #7 among public university programs in entrepreneurship and #3 among programs in the South. Other schools in the top 25 include Babson, University of Southern California, Tulane, Rice, University of Washington, University of Arizona, Michigan, Wisconsin, Syracuse, Northwestern and UNC-Chapel Hill. Our program ranked ahead of programs at the University of Chicago, Washington University, University of Oregon, SMU and Wake Forest.

TOP-25 IN MBA PROGRAMS

CEO, a leading international journal for business executives, ranked the

UofL College of Business MBA program **one of the Top 25** North

American/Global programs.

#5-RANKED ENTREPRENEURSHIP RESEARCHER

A study ranking individual entrepreneurship research excellence named **Prof. James Fiet**, our Brown-Forman chair in entrepreneurship, the **fifth most-prolific researcher** in the United States and the **eighth most-prolific in the world**. The research by Howard University and Morgan State University covered the period from 1995 through 2006.
